Information Sheet – Spring Hanging Baskets Fundraiser *Voucher Program*

As an alternative to our original hanging basket fundraiser where people order a specific basket, we also offer a voucher program. Your fundraising group sells vouchers for 12” Hanging Baskets which can be redeemed at our Edmonton location.

The baskets are grown at our greenhouses in Edmonton. We grow numerous varieties and combinations of plants in 12” diameter green baskets.

There are several added benefits to the Hanging Basket Voucher fundraising program:

1. The person participating in your fundraiser can select their own basket(s) from our large variety of 12” hanging baskets grown at our garden centre.
2. Your supporters (customers) are not limited to the varieties offered on a custom order sheet.
3. You would not be responsible for delivering any baskets – you would simply be selling a voucher.

How it works

In February and March your group members take orders for vouchers and we then supply you with the number of vouchers you have sold. The vouchers are numbered and we will record the vouchers that have gone to your fundraiser. We ask that you treat the vouchers as cash – any lost vouchers will be your responsibility.

The Voucher can be redeemed by your supporters (customers) for one 12” hanging basket at Dunvegan Gardens - Edmonton between May 1st and June 15th.

Cost & Profit

The cost to you for each voucher is \$22.00 plus GST for a total cost of \$23.10 per voucher. We ask that you pay for the vouchers at the time of pick-up. We suggest that you sell the vouchers for between \$30.00 and \$35.00 each but you can set the price at whatever you chose. We retail our 12” hanging baskets for \$29.99 - \$34.99.

Sales Period and Deadline

This program is an excellent fundraiser for February & March. Vouchers should be sold to your supporters prior to March 31st and your group’s total voucher order should be submitted to Dunvegan Gardens no later than March 31st.

- Good Luck!

Please call me (Brock) at 780-470-0527 now or later if you have any questions or if there is any other way we can help you with this fundraiser. We look forward to working with you in planning a successful fundraiser for your organization!
